### About the Resort

Dew Drops Jungle Resort is a nature-immersive, adventure-centric retreat spread across 12+ acres of acacia and mixed forest land in Dandeli. The property is designed to provide a raw, green, 'in-the-forest' ambience while maintaining essential comforts. Expect dense tree cover, birdsong at sunrise, open sky views at night, and the authentic feeling of being inside the jungle. The resort offers diverse accommodation from AC deluxe rooms and family rooms to rustic commando cottages and camping tents, catering to couples, families, groups, and adventure seekers. Facilities include a swimming pool, campfire area, indoor and outdoor games, nature walks, and trekking trails within the premises. Home-style buffet meals (breakfast, lunch, dinner) are included. Water activities like kayaking and boating can be arranged on request. Note: White water rafting availability depends on Kali River water levels and is not guaranteed - confirmation is given onsite based on conditions.
